

Owasso Preparatory Academy

2018-2019 Service Projects

Hello families of OPA! We are excited to announce our service projects for the upcoming school year! This year, we are alternating between serving local & international organizations. Additionally, each organization has an affiliation in some way to one or more OPA families. More details are coming soon, but we wanted you to have the calendar as something to look forward to. You can also click on the name of each organization to learn more about what they do and how you might want to get involved more as a family. Thank you so much for your support & participation!

Christy Rowden, Service Project Coordinator
